

MY HOMEWORK BOARDGAME

GO!

HOW TO PLAY

1. Roll 1 dice before you start homework.
2. Move the number of white squares you roll on the dice.
3. Complete the number of minutes of homework in the box (Or enjoy a fun reward or a day off!)
4. Repeat each time you are completing homework during the week (Remember to record the white square you finish on after each game so that you can continue from there the next time you play!)
5. Once you reach the finish line you WIN! (Race your siblings or friends to see who can reach the finish line first!)
6. Replay the game as many times as you like!
